EASTON, PA — May 11, 2009 -- Paragon Technologies, Inc. (Pink Sheets: PGNT), a leading supplier of “smart” material handling systems and “software-driven” warehouse and distribution center solutions, announced today that, in accordance with its previously announced intention, the Company filed a Certification and Notice of Termination and Suspension of Duty to File on Form 15 with the Securities and Exchange Commission (“SEC”) to suspend its reporting obligations under Section 15(d) of the Securities Exchange Act of 1934 (“Exchange Act”).

As such, the Company expects to cease filing reports with the SEC effective immediately. The Company expects that the deregistration of its common stock will become effective 90 days after the date of filing of the Form 15 with the SEC. The Company is eligible to deregister its common stock because it has fewer than 300 shareholders of record of its common stock. Paragon Technologies had previously delisted from the NYSE Amex by filing a Form 25 on April 30, 2009.
